Renovation

Completion
February 2018

Architect
Triangle Associates, Inc.

IntegraCore was hired to complete a \$125,000 general trades package for the renovation of National Nail's office in Wyoming, MI. A portion of their warehouse was converted to office and conference room space to accommodate their growing workforce. Their existing offices also received renovations.

The reception area features a unique ,IPE Brazillian hardwood desk and custom logo sign created using 1,500 screws. IntegraCore also completed cabinetry, doors, frames and hardware throughout the building.
